PROFESSIONAL EXPERIENCE

- 1987-1988 Intern, Department of General Surgery
Baylor College of Medicine, Houston, Texas
- 1988-1993 Resident, Department of Neurosurgery
Baylor College of Medicine, Houston, Texas
- (insert dates) Assistant Professor of Neurosurgery
Department of Neurosurgery
University of Mississippi Medical Center,
Jackson, Mississippi
- 2008-present Private Practice
NewSouth NeuroSpine, LLC
Flowood, Mississippi

DIVISION OF SURGERY 601-936-0400

Eric Amundson, MD
Philip Azordegan, MD
John D. Davis, IV, MD
Jack Moriarity, MD
John Neill, MD
W. Lynn Stringer, MD
Greg Wood, MD

DIVISION OF PAIN MANAGEMENT 601-664-1213

Jeff Laseter, MD
Jeff Summers, MD

DIVISION OF PHYSICAL MEDICINE 601-420-1930

David Collipp, MD
Rahul Vohra, MD
Michael Winkelmann, MD

CERTIFICATION AND LICENSURE

State of Mississippi Medical License
American Board of Neurological Surgery Certified

PROFESSIONAL SOCIETIES

American Medical Association, Congress of Neurological Surgeons
American Association of Neurological Surgeons
Mississippi State Medical Society
Mississippi Carrier Advisory Committee
Mississippi Neurological Society (President – 1999-2001)
American Board of Neurological Surgeons

RESEARCH

Stereotactic implantation of fibroblasts coded for serotonin uptake in mouse caudate nucleus.

Development of CNS regeneration model using optic nerve myelin-deficient (shiverer) mouse.

Stereotactic implantation of dopamine-producing chimeric rat tumor cell into rat brain.

PUBLICATIONS

Raila, F.A., Zimmerman, J., Azordegan, P.A., et al. *Successful surgical removal of an asymptomatic optic nerve hemangioblastoma in a case of Von Hippel-Lindau Disease*. Accepted for publication in Journal of Neurosurgery.

Azordegan, P.A. *Conservative treatment of unruptured arteriovenous malformations*, in Al-Mefty, O., Oritano, T.C., Harkey, H.L. (eds): Controversies in Neurosurgery, New York: Thieme Medical Publishers, Inc., 206-207, 1996.

Azordegan, P.A., Baskin, D.S. *Non-neurologic complications of spinal cord injury*, in Piepmeier, J. (ed): The Outcome Following Traumatic Spinal Cord Injury, Mount Kisco, New York: Future Publishing Corp., 119-138.

Simpson, R.K., Jr., Azordegan, P.A., et al. *Rapid onset of quadriplegia for a pan-spinal epidural abscess*, Spine 16 (8): 1002-1005, 1991.

PHILIP A. AZORDEGAN, M.D.

PRESENTATIONS

Azordegan, P.A. *Arteriovenous Malformation – Are we building a better mousetrap?*, Mississippi Neurological Society Annual Meeting, Jackson, Mississippi, May 13, 1994.

Azordegan, P.A. *Recognition and emergent management of aneurysmal subarachnoid hemorrhage*. The American Heart Association and The University of Mississippi Medical Center, Stroke Update, September 1995.

Azordegan, P.A. *Basilar Aplex Aneurysms*, The Department of Neurology and Neurosurgery Grand Rounds, The University of Mississippi Medical Center, 1995.

Azordegan, P.A. *Intracranial Cerebral Aneurysms*, Mississippi Baptist Medical Center Nursing Staff, 1996.

Azordegan, P.A. *Intracranial Cerebral Aneurysms*, Mississippi Baptist Medical Center CCRN Focus Group, February 1997.
